PRESS RELEASE

City Wide Clean Up Announced for Spring 2014

Terre Haute, IN- The City of Terre Haute will have a city-wide cleanup on May 10, 2014. Keep Terre Haute Beautiful, in conjunction with the City of Terre Haute and Republic Services, continues to organize city-wide cleanups in May and October each year. Volunteer for our cleanup and help make your neighborhood and city look their very best!

On May 10th volunteers will meet in the parking lot of Union Hospital Professional Office Building at 1530 N. 7th Street as early as 8:00 a.m. Volunteers will be given a route map, gloves, bags, a FREE T-shirt and snacks. The cleanup will run from 8:00 a.m. to 12:00 p.m. and include several targeted areas in the city. Businesses, churches, schools and other organizations are encouraged to bring a group of people to help.

Once again, several open top dumpsters will be placed in the following locations: Booker T Washington Community Center, City Hall, Herz-Rose Park, Union Hospital Professional Office Building, and Woodrow Wilson Middle School. These dumpsters will be available for use by the community but will not be able to accept hazardous waste, including but not limited to refrigeration units, chemicals, CFL light bulbs, televisions, tires, and batteries.

The City reminds all citizens to be good stewards of the environment by cleaning up around your own property, street, and alley. If you would like to volunteer or have any questions about the May 10th citywide cleanup you can contact either the Mayor's office at 244-2303 or send an email to kthb@treesinc.org.

Mayor Bennett continues his efforts to make Terre Haute a cleaner city through his Community Corrections and Federal Inmate Cleanup Programs and partnerships with Republic Services, TREES Inc., Keep America Beautiful, and numerous businesses and volunteer organizations.

About the City of Terre Haute

The City of Terre Haute is home to over 60,000 residents, 23 parks, and 36 miles of trails and greenways.
